The City of Wilson is proud to announce the first public meeting to kick off their Brownfields Program, a part of the 2010 Environmental Protection Agency (EPA) Community-Wide Brownfields Assessment Grant awarded to the City.

Join us to learn about and discuss the Brownfields Grant initiative! This meeting will introduce the program and explain the benefits of the effort. Participants will have the chance to provide input to make this as successful a project for the community as possible.

Meeting Location:
1800 Herring Ave
Wilson, NC 27893
