

Neighborhood Associations Leadership Summit Free Registration!

Neighborhood Leaders Round Table -

A key component of the Summit will be the opportunities for YOU – the Neighborhood Leaders - to share updates regarding your organizations, discuss goals and concerns, and share strategies with each other on how to increase membership, hold successful events and promote community unity.

What's on Your Mind?

What questions do you need answered? What processes with the City of Wilson need clarification? What projects do you want to learn more about? On the enclosed registration form is an area for you to submit the topics you'd like to hear more about. Take advantage of this opportunity and let us know what's on your mind.

Neighborhood Collaborative Team

A coalition of City of Wilson departments work together to enhance community outreach and explore opportunities to involve Neighborhood Associations in planning and development. The committee hosts the Summit to offer leaders the same opportunity to share ideas, provided feedback and ask questions. The departments included on the committee are: Human Relations, Planning & Development, Inspections, Wilson Police Department, Wilson Energy, Public Services and Community Development.

How To Sessions!

During the Summit two break-out sessions will be provided. The first, *How To Start a Neighborhood Association* given by the Human Relations Office. The second, *How to Start a Neighborhood Watch* by the Wilson Police Department. Please encourage growing neighborhoods to attend.

Register by Friday, October 14
