I wish to voluntarily contribute to a cleaner environment through the NC Green Power Program. I authorize the City of Wilson to add a NC Green Power donation to my utility bill.

Please choose from one of the two following options:

NC Green Power Mass-market Product (\$4.00 per block of 100 kWh)

Customers may purchase 100-kWh blocks of Green Power for a premium of \$4.00 per block per month. The maximum number of blocks a customer is eligible to purchase can't exceed their minimum average monthly kWh consumption during the last 12 months. This group represents solar, wind, methane gas, clean burning wood waste and small hydro projects. Please check your choice below or write in your requested monthly donation.

1 block @ \$4.00 _ 2 blocks @ \$8.00 _ 3 blocks @ \$12.00 _ 4 blocks @ \$16.00 _

_____ blocks @ \$4.00 each = \$_____

NC Green Power Large Volume Product (\$2.50 per block; minimum of 100 blocks = \$250.00 minimum)

Customers may purchase 100-kWh blocks of Green Power for a premium of \$2.50 per block. The minimum **monthly** charge shall be for 100 blocks of electricity (\$250.00). Customer's average monthly electric consumption must be equal to or greater than 10,000 kWh. The contract period is for one year. After the initial period, customers may terminate this agreement by giving 30 days prior written notice. This group represents solar, wind and methane gas projects.

_____ blocks (minimum 100) @ \$2.50 each = \$_____ (minimum \$250.00)
