

**CITY OF WILSON
RENEWABLE ENERGY GENERATION RIDER
SCHEDULE RENEW ENERGY RIDER-3-2**

AVAILABILITY:

This schedule is available in conjunction with any of the City's Rate Schedules applicable to a Customer who operates an approved renewable energy generating system, located and used at the Customer's primary residence or business. The rated capacity of the generating system shall not exceed 20 kilowatts for a residential system or 100 kilowatts for a non-residential system. The generating system that is connected in parallel operation with service from the City and located on the Customer's premises must be manufactured, installed, and operated in accordance with governmental and industry standards, in accordance with all requirements of the local code official, and must fully conform with the City's applicable renewable energy generation application and attachments.

Any customer can also have a standalone renewable energy generating system that is not connected to the Wilson Energy electric distribution system.

APPLICABILITY:

This schedule is applicable to all electric service of the same available type supplied at a customer's premises at one point of delivery through one kilowatt-hour meter.

TYPE OF SERVICE:

The types of service to which this schedule is applicable are, alternating current, 60 hertz, single phase 2 or 3 wires, or three phase 3 or 4 wires, at the City's standard voltages.

MONTHLY CHARGE & CREDIT:

\$15.00 Facilities Charge

5.88¢ Credit per kWh for all kWh produced by the renewable energy generating system

Total bill credit balances, if any, will be carried forward to the next bill.

POWER COST ADJUSTMENT:

A power cost adjustment credit will apply to all service supplied under this schedule as necessary to reflect changes in the City's wholesale energy cost of purchased power. The current power cost adjustment is \$.00000 per kWh.

SALES TAX:

Any applicable NC Sales Tax will be added to the charges noted above. There are no taxes paid for purchased energy.

CREDITS:

Any applicable credits, as approved by the City Council, may be applied to qualifying customers' billing.

**SCHEDULE RENEW ENERGY RIDER-3-2
(Continued)**

PAYMENTS:

Bills are due when rendered and are payable without penalty if paid on or before the Due Date stated on such bill. If any bill is not so paid, the City has the right to assess a Late Penalty and suspend service in accordance with its Customer Service Policies.

ADJUSTMENTS:

This schedule may be amended or adjusted from time to time by the City.

SPECIAL CONDITIONS:

1. The Customer must complete any applicable renewable energy interconnection request documents and submit same to the City of Wilson for approval prior to receiving service under this schedule.
2. The Customer's service shall be metered with one electric meter with two registers, one register will measure all energy provided by the City and used by the customer, and the other register will measure the amount of energy generated by the customer's alternative energy generator.
3. In the event the City determines that it is necessary to install a dedicated transformer or other equipment to protect the safety and adequacy of electric service provided to other customers, the Customer shall pay a Monthly Facilities Charge of 2% of the total installed cost of the additional facilities except that the additional Monthly Facilities Charge cannot be less than \$25.00.
4. The City reserves the right to test the Customer's alternative energy generator and associated equipment for compliance with the applicable interface criteria. Should it be determined that Customer's installation is in violation the City will disconnect the alternative energy generator from the City's distribution system and it will remain disconnected until the installation is brought back into compliance.

CONTRACT PERIOD:

The Contract Period for service under this schedule shall be one (1) year and thereafter shall be renewed for successive one-year periods. After the initial period, Customer may terminate service under this schedule by giving at least sixty (60) days previous notice of such termination in writing to the City.

The City may terminate service under this schedule at any time upon written notice to Customer. In the event that Customer violates any of the terms or conditions of this schedule, or operates the generating system in a manner which is detrimental to the City or its customers, service under this schedule may be terminated immediately.
