**Wilson Fire/Rescue Services
Community Risk Reduction Division**

The Wilson Fire/Rescue Services Community Risk Reduction Division requires that a permit be obtained for the guidelines listed below shall be submitted at least **10 business** days prior to the issuance of a permit.

**Any additional findings, information, changes to the site, or the overall scope of the work being performed shall be reported to the fire code official immediately for approval. Not providing adequate notification to the fire code official may result in a revocation of the permit and the immediate termination of all work on the site.

The approved Permit Application must remain on site for the duration of the event or sale of fireworks.

The owner, site contractor, or an approved, responsible, representative shall be on site and provide all appropriate contact information to the fire code official prior to beginning.

All information must be completed before the processing of the fireworks permit application will proceed. This permit application and supporting documentation can be submitted via email, Fire Marshal Michael Sumner msumner@wilsonnc.org or dropped off at Station #1 307 Hines Street W.

Questions? Please contact Wilson Fire/Rescue Services Community Risk Reduction Division at (252) 399-2880.
